John R. Mazeau	Eileen Eells
John F. Rowe	Walter Pickering

Members, Board of Selectmen

## **HIGHWAY SAFETY COMMITTEE**

Leonard N. Eames	Granville S. Knox
John C. Lamson	Robert Durgin
Donald Beals	Fred J. Hoyt

John K. Stimson, Police Chief

## **LETTER FROM THE SELECTMEN**

This year has been an unusually busy year for the Selectmen. The Municipal Sewerage System for the Industrial and Commercial areas has taken a good deal of time. Final plans are now complete and construction should start soon.

It has been a busy building year. The addition to the Fire Station is now complete. The foundation for the new Civic Center is complete and work will resume with warmer weather. We hope to move our town offices into the new building by September.

The Selectmen have spent many hours with local and Federal officials in an attempt to stop the AICUZ program, which, if not defeated, would allow Pease Air Force Base to further encroach upon our Town. The original plan called for the demolition or removal of our Historic Town Buildings. Through the efforts of the Selectmen, our old Town Buildings will remain. This is not a dead issue as yet and much work remains to be done to defeat this program.

We have enjoyed a good turn out of Townspeople at our meetings. This is the easiest way for you to be heard and it is helpful to the Selectmen to know your views on various problems. Please keep up the good attendance.

**LEONARD N. EAMES, Chairman  
Board of Selectmen**

# **Report of Examination of Financial Statements**

## **by Certified Public Accountant**

I have examined the financial statements of the various funds of the Town of Newington, New Hampshire, for the year ended December 31, 1977. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

The Town has not maintained a record of its general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In my opinion, the financial statements listed in my audit report, under separate cover, present fairly the financial position of such funds of the Town of Newington at December 31, 1977, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the previous year.

My examination was made primarily for the purpose of rendering an opinion on the basic financial statements described above taken as a whole. The supplemental data included in my report, although not considered necessary for a fair presentation of the financial position and results of operations of such funds, are presented primarily for supplemental analysis purposes. This additional information has been subjected to the audit procedures applied in the aforementioned examination of the basic financial statements and is, in my opinion, fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**R. R. BERGERON**  
Certified Public Accountant

February 24, 1978

(Copies of the complete audit report are available at the Town Office)

## SUMMARY INVENTORY OF VALUATION TAX YEAR 1977

**REPORT OF AUDIT OF  
REVENUE SHARING FUND  
TOWN OF NEWINGTON, N.H.  
REVENUE SHARING FUNDS**

**Statement of Changes in Available Funds  
for the Year Ended December 31, 1977**

Available Funds, January 1, 1977	\$33,070.00
<b>Add Revenue:</b>	
Entitlement Distributions	22,878.00
Interest Earned	<u>2,409.00</u>
<b>Total Available Funds</b>	\$58,357.00
<b>Less Expenditures:</b>	
Municipal Fire Alarm System	<u>\$25,000.00</u>
	\$33,357.00

I have examined the Revenue Sharing Fund Statement of Changes in Available Funds of the Town of Newington, N.H. for the year ended December 31, 1977.

My examination was made in accordance with generally accepted auditing standards and the "Audit Guide and Standards for Revenue Sharing Recipients" issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and accordingly included such tests of the accounting records and such other procedures as I considered necessary in the circumstances.

In my opinion, the Statement of Changes in Available Funds presents fairly the revenues and expenditures and the status of revenue sharing funds of the Town of Newington, N.H., for the year ended December 31, 1977.

March 1, 1978

R. R. BERGERON, CPA

## **BOARD OF ADJUSTMENT**

The Board of Adjustment had just one request for a variance during 1977.

Ray The Mover, Inc., requested a variance to allow construction of an addition to within 13 feet of side line and within 20 feet of the front line.

The variance was denied on the grounds that no hardship was shown to exist and the addition would violate the spirit and intent of the Newington Zoning Ordinance.

John R. Mazeau, Chairman  
Newington Board of Adjustment

## BUILDING INSPECTOR'S REPORT

I wish to thank every one for being so cooperative in meeting the building requirements of the Town.

Respectfully submitted,

R. THOMAS ROY  
Building Inspector

## **FIRE DEPARTMENT REPORT**

The Newington Volunteer Fire Department has completed another year logging a total of one hundred sixty nine (169) calls. One hundred four (104) were fire related calls, sixty five (65) ambulance runs and eleven (11) calls for public assistance. This represents an increase of fifty-eight (58) calls over last year's one hundred eleven (111) calls, which represents 3.25 calls per week for 1977.

Over the years the Newington Volunteer Fire Department has witnessed a decline in available young men to fill the gap of the dedicated men who have served the town in the past. Over the past year the Department has lost the services of seven (7) of the Department's Emergency Medical Technicians Ambulance.

The Department has completed its first year as a paid call Department, which has given the men some compensation for their services.

The new twelve-fifty (1250) gallon pumper arrived and after many hours of preparation has been placed in service and adds much to the capability of the Fire Department.

The Fire Department has experienced much discomfort with the addition to the Fire House, but has weathered the storm and now is able to enjoy the much needed space it makes available to them.

The Municipal Fire Alarm has been completed and with its capabilities should serve the town for an indefinite period of time.

I would like to thank the men of the Department for the time and energy they have given over the past year, and for enumerable hours they have spent in handling the many tasks that have confronted them over the year, and for the expertise they have shown in the discharge of their duties. Thank you.

As of this writing, the Newington Volunteer Fire Department has received the resignation of Assistant Fire Chief Fred J. Hoyt. I wish him the very best in his future endeavors, he will be greatly missed by the Department. He has over the many years as fireman contributed much to the town and the Fire Department and I sincerely appreciate the help he has given me in the discharge of my duties. THANKS JACK.

I also wish to thank the residents of the Town of Newington for their ever mindful practice in fire prevention throughout the year and hope all will keep fire prevention foremost in thought and deed in 1978. Thank you.

Respectfully submitted,

WALTER H. PICKERING  
Chief

## FOREST FIRE WARDEN'S REPORT

The Town of Newington experienced a relatively quiet forest fire free year.

The Newington Fire Department is well equipped to combat a forest fire if and when one should take place. The men of the department spend much time in the maintenance of forest fighting equipment and in training to be ever ready.

The State of New Hampshire experienced a very low acreage loss by fire in its woodlands in 1977 mainly due to a relatively wet year and the preventive measures practiced by the overall general public.

There have been no changes in the law relative to outside burning, so, before doing so, contact your Forest Fire Warden for a burning permit and remember that no burning is allowed between the hours of 9 a.m. and 5 p.m. daily.

Your Forest Fire Warden requests all residents if you have a fire hazard of high and old dead grass feel free to contact him or a member of the fire department and an attempt to schedule a time to control burn it for you, **PLEASE DO NOT** attempt it yourself.

I wish to thank the residents of Newington for their safe fire practices over the year and hope everyone will help in keeping our record clean, **THANK YOU.**

Respectfully submitted,

WALTER H. PICKERING  
Warden

## **NEWINGTON TOWN WARRANT STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Newington in the County of Rockingham and said state qualified to vote in Town affairs:

You are hereby notified to meet at the Newington Civic Center in said Town on Tuesday the Fourteenth Day of March next, 1978, to act upon Articles 1 and 2.

(The polls will open at Ten O'clock A.M. and unless extended by vote at the meeting, will close at Six O'clock P.M. It is suggested that the Town Meeting be recessed to Saturday March 18, 1978, at 1:00 P.M. This must be done by a motion from the floor.)

Article 1. To choose in the manner provided by law One Selectman for a term of 3 years; One Treasurer for term of 1 year; One Tax Collector for a term of 1 year; One Town Clerk for a term of 1 year; One Highway Agent for a term of 1 year; One Building Inspector for a term of 1 year; One Superintendent of Cemetery for a term of 1 year; One Pound Keeper for a term of 1 year; One Moderator for a term of 2 years; One Supervisor of Checklist for a term of 6 years; One Member of Cemetery Committee for a term of 3 years; Three Members of Budget Committee for a term of 3 years; One Library Trustee for a term of 3 years; One Trustee of Trust Funds for a term of 3 years; Six Members of Planning Board, Two for a term of 1 year, Two for a term of 2 years; Two for a term of 3 years; Two Fence Viewers for a term of 1 year.

Article 2. To see what action the Town will take regarding adoption of the Zoning Ordinance propsoed by the Planning Board and the repeal of the existing ordinance or parts thereof that are inconsistent with the proposed ordinance.

**Article 3.** To see if the Town will vote to raise and appropriate the sum of \$315,000 as its share of the capital costs for the construction of the Incinerator and Energy Recovery Facility as set forth in Article 4 below, \$105,000 to be raised and appropriated in 1978 with \$210,000 borrowed through serial notes or bonds for a period of two years with \$105,000 to be raised and appropriated in 1979 and \$105,000 to be raised and appropriated in 1980 for repayment of the loan. Interest payments are provided for in the budget. Also to take such actions as may be necessary as shall be in the best interest of all members of the cooperative and to allow the Selectmen to accept Federal or State and other grants that may be available to the Town in providing its share of the project.

(Recommended by the Budget Committee)

**Article 4.** To see if the Town will vote to authorize the Board of Selectmen to enter into the agreement for Formation of Lamprey Regional Solid Waste Cooperative, for the purpose of disposing of solid waste generated by the cooperating towns and for the recovery of energy in the most economical and efficient manner. This agreement is intended to provide, under State statute, for the joining of towns in a cooperative effort for the disposal of solid waste in a manner that will meet Federal and State requirements.

(A copy of the proposed agreement is available at the Selectmans Office for examination by interested persons.)

**Article 5.** To see if the Town will leave the care and maintenance of Town land and buildings to the Selectmen.

**Article 6.** To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through tax collectors deeds.

Article 7. To see if the Town will vote to authorize the Selectmen to hire money on the credit of the Town in anticipation of taxes at a rate not to exceed the current bank rate.

Article 8. To see if the Town will vote to adopt the provisions of RSA 72:43-B and 43-C for expanded exemptions on real estate which provides for a resident 65 years of age up to 75, a \$5,000 exemption; a resident 75 years of age up to 80, a \$10,000 exemption; a resident 80 years of age or older, a \$20,000 exemption. Provided that the resident owns the real estate individually or jointly with another or his spouse with whom he has been living for at least 5 years as man and wife; said resident had a net income of less than \$7,000 or combined income with spouse of less than \$9,000; and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in excess of \$50,000.

Article 9. To see if the Town will vote to authorize the Tax Collector to appoint a Deputy Tax Collector with the approval of the Selectmen.

Article 10. To see if the Town will vote to elect a board of three (3) Sewer Commissioners at its next annual meeting, to have the duties and powers designated by RSA chapter 252, and to elect such sewer commissioners at such a 1979 Town Meeting by ballot in the same manner, and by the same means, as selectmen are elected in this town, or as otherwise provided by statute.

(Inserted by petition)

Article 11. To see if the Town will vote to repeal all existing ordinances, rules, and regulations pertaining to the Newington Volunteer Fire Department that are presently in force and effect. Upon passage this Article shall take effect April 1, 1978.

(Inserted by petition.)

Article 12. To see if the Town will vote to pass the proposed ordinance relative to a permanent Fire Department under Chapter 154 of the Revised Statutes Annotated. Upon passage, this Article shall take effect April 1, 1978.

(Inserted by petition) (A copy of the proposed ordinance is available at the Selectmens office for examination by interested persons)

Article 13. To see if the Town will vote to raise and appropriate the sum of one hundred ten thousand five hundred seventy six dollars and thirteen cents (\$110,576.13) for the purpose of employing a full time permanent Fire Department, with the retention of the present Fire Chief in his respective capacity and a maximum of eight (8) present firemen. Upon passage, this Article shall take effect April 1, 1978.

(Inserted by petition) (Not recommended by the Budget Committee)

Article 14. Revenue Sharing: To see if the Town will approve the sum of \$12,480 for the purpose of purchasing two new police cruisers and authorize withdrawal of this amount from the Revenue Sharing Funds established under the provisions of the State and Local Assistance Act of 1972.

Article 15. Revenue Sharing: To see if the Town will approve the sum of \$3,000 for the purpose of a digital readout printer for the fire alarm and authorize withdrawal of the amount from the Revenue Sharing Funds established under the provisions of the State and Local Assistance Act of 1972.

Article 16. Revenue Sharing: To see if the Town will approve the sum of \$4,500 for the purpose of replacing the water lines in the Town Cemetery and authorize the withdrawal of this amount from the Revenue Sharing Funds established under the provisions of the State and Local Assistance Act of 1972.

Article 17. Antirecessional Fund: To see if the Town will approve the sum of \$1,600 for the purpose of reconstruction of the Town Saltshed and withdrawal of the amount from the Antirecessional Fund established under the provisions of the State and Local Antirecession Act of 1976.

Article 18. To hear the report of the Budget Committee and act thereon.

Article 19. To hear the report of the Town Clerk on the election of Town Officers.

Given under our hands and seal this 22nd of February, 1978.

LEONARD N. EAMES  
FREDERICK H. SMITH, JR.  
PAUL L. deROCHEMONT  
Board of Selectmen

We hereby certify and attest that on this 24th day of February, 1978, we posted a true and attested copy of the within warrant at the place of meeting within specified, a like copy at the Meeting House, a public place in Town and delivered the original to the Town Clerk

LEONARD N. EAMES  
FREDERICK H. SMITH, JR.  
PAUL L. deROCHEMONT  
Board of Selectmen

## LANGDON PUBLIC LIBRARY REPORT

**Winter Hours:**    Wednesday, Thursday, Friday,  
                                Saturday ..... 1 to 6 p.m.  
                                Wednesday ..... 9 to 12 noon  
                                Thursday ..... 6 to 9 p.m.

**Summer Hours:**   Wednesday, Thursday, Friday,  
                                Saturday ..... 1 to 5 p.m.  
                                Thursday ..... 5 to 9 p.m.

The adult section of the library has undergone a complete rearrangement, including a shelf-catalog check, the disposal of all old books which were not justifying their shelf space, and a logical reordering of non-fiction books according to the Dewey system. With the new free-standing bookshelves, we have a cleaner, brighter atmosphere and all material is easier to find. The completion of this worthy project is due mainly to the four consecutive library days per week instituted last April. In the coming year, the same work will get started in the children's room.

Our usual services continue and expand: the record collection, magazines, paperbacks, toy collection, bookmobile, story hour, school program, not to forget our new book orders. If anyone has time to spare, we need someone to go through the newspapers and clip out Newington items.

Probably the greatest shock the library has received since its founding in 1892 was the news this summer that it was standing in Pease Airbase safety zone, along with the other buildings which make up the historic district. It heard, at different times, that it would be torn down, moved away, annexed to Pease or restricted in other ways. The uneasy truce resulting from the deleting of funds requested at the federal level for one year has helped maintain a surface calm, but the old building is wondering what the future holds for it.

MARJORIE PICKERING  
Librarian

# 1977 ANNUAL REPORT OF THE LANGDON LIBRARY

## Expenditures:

Librarian's Salary	\$6,474.00
Substitute	180.00
Social Security (Lib. share)	391.79
Books purchased	2,586.94

Balance on hand	\$12,070.48

In Savings Bank	\$10,175.04
In Checking Account	1,891.07
Cash On Hand	<u>4.37</u>
	\$12,070.48

## THE OLD PARSONAGE

The Old Parsonage continues to develop an interest following far beyond the limits of Newington. This past summer saw many visitors from great distances, several people spent many hours inspecting the architectural details of the building inch by inch. It probably would be well to have the building open more often if additional volunteers to "sit on the house" could be found.

Members of the Historical Society have continued researching the old town papers regarding the history of the Parsonage with the intent of producing a brochure about the building. Further restorations will be undertaken inside and outside this summer, with the intent to return as much of the original appearance as possible.

Several visitors this past year indicated that their interest in the house stemmed from a desire to build a new house just like it. Perhaps, however, the most unusual offspring of the Old Parsonage is in Salem, N.H. It is a doll house built from the Newington Parsonage plans as published in the book by Howells on houses in the Piscataqua Region.

The junior hostess program was used again with successful results. Wendy Hammer, Lisa Emery and Mindy Grant worked very faithfully. The Historical Society is grateful to these young people who give their time so willingly.

BARBARA MYERS for  
The Newington Historical Society

## **NEWINGTON POLICE DEPARTMENT ANNUAL REPORT**

During 1977, the Police Department recorded 103,000 miles and received 1901 complaints or calls for assistance. Investigations by the department's officers included 303 criminal offenses, 11 missing persons and 22 animal complaints. There were 84 criminal arrests made during 1977.

In the area of highway safety, efforts of our officers resulted in 12 motor vehicle arrests, 450 summons, 847 motor vehicle warnings and 22 defective equipment tags being issued. Officers assisted 1395 motorists while on routine patrol and rendered assistance to other law enforcement agencies on 279 occasions. During 1977, there were again no fatal accidents; however, 12 personal injury accidents and 150 property damage accidents were reported.

Police activities resulted in 512 cases being prepared for the Portsmouth District Court.

The department's prevention and service program resulted in 31 doors or windows being found open. The department made 1684 residence checks, conducted 43 escorts, recorded 280 burglar alarms, responded to 34 fire alarms and assisted in 53 ambulance calls.

During 1977, 19 motor vehicles were reported stolen from Newington and eight were recovered. Additional personal property valued at \$37,429 was reported stolen from Newington, while recovered property totalled \$4,790.

The Police Department replaced two officers who had resigned to accept employment elsewhere, and our officers attended several training schools provided through the NH Police Standards and Training Council by various federal and state agencies on accident investigation, photography, fingerprint identification, breathalyzer examinations, accident investigations, and a five week seminar on juvenile problems. The additional training will greatly assist the department as it copes with demands which have increased by 165 per cent in the past three years. The installation of the Local Government radio frequency has greatly improved the communication capabilities between our department and the Fire Department's vehicles. It is our hope that other departments throughout the town will soon have the same capabilities to communicate during an emergency by using the frequency and a local dispatch center.

I extend my personal appreciation to our three patrolmen and two special officers for the many hours of voluntary work which they have contributed to the department. Our aim is to provide the best possible service and protection for Newington. Your continued support and cooperation is greatly appreciated.

Respectfully submitted,

JOHN K. STIMSON  
Chief

## **PORTSMOUTH COMMUNITY HEALTH SERVICES, INC.**

Portsmouth Community Health Services, Inc., which was incorporated in September 1908 as a voluntary (non-profit) organization, serves the towns of: Newington, Portsmouth, Rye, Greenland and New Castle. Also the town of Kittery, Maine, avails themselves of the service. Each area town who is part of P.C.H.S. has two representatives. Mrs. Vanny Brawn of So. Newington is our other representative.

The second Monday of every month from 3-4:00 p.m., Janie Bird, R.N., who is a staff nurse at Portsmouth Community Health, is at the Civic Center to answer any health related questions. She takes "blood pressures", checks any dietary problems and will do "foot care" if needed. Janie loves to meet all the Newington residents and hopes you will stop in at the Civic Center.

The High Blood Pressure Program, which was funded to Portsmouth Community Health one year ago, has been very successful. The first group to take part in the program were Municipal Employees. Screenings were then held in schools, Senior Citizens and various public places. P.F. Avery Co., and Atlantic Terminal of Newington availed themselves of this wonderful program.

Respectfully submitted,  
MARGARET LAMSON

## **A PROGRESS REPORT FROM THE BUILDING COMMITTEE**

The new addition and facilities for the Fire Department are essentially completed, the landscaping and seeding will be done this spring. I wish to thank the members of the sub-committee and the Fire Department who contributed their time and knowledge assisting architects Wright-Pierce-Whitmore and the contractors Ardee Construction Co., Hampton, N.H., in bringing this addition to a successful conclusion. Whenever you are in the Civic Center take a moment to look over the new facilities, I am sure the Fire Department members will be happy to show you around.

The Maxam Company of Portsmouth, N.H., has been awarded the contract to build the New Town Hall to be located across the road from the Civic Center. The concrete foundation work is essentially completed and backfilled ready to receive floor slab and bearing masonry this spring. This has given us a good head start toward meeting our completion date in September 1978.

On behalf of the Building Committee I wish to thank everyone who has contributed to the success of these projects.

**ROBERT H. LAMSON**  
Chairman

## **REPORT FROM THE PLANNING BOARD**

As of March 1978, the present Planning Board membership will no longer exist. The Planning Board member will now be an elective office. The members will be elected for one to three year terms to set a staggered system to allow for continuity of membership on future boards. The Planning Board is a very important function of the town since their activity to a large extent determines the type and direction of future growth in the town. The Planning Board is submitting a proposed change to ordinance covering General Business District which they feel will provide a more orderly growth and restrict strip development. Proposed changes are as follows:

### **SECTION 2 GENERAL BUSINESS DISTRICT "B"**

#### **A. Description and Purpose:**

The "B" District is established as a zone in which the principle use of the land is for business purposes, including service activities which would normally be considered supportive to business.

The Building Inspector shall issue a permit only after approval of a site plan by the Planning Board. The Planning Board shall not approve a final site plan until a Public Hearing has been held.

#### **B. Uses Permitted:**

1. Service and Professional businesses, research and development businesses, including engineering.

2. Light manufacturing, provided that they shall not cause injurious or obnoxious noise, vibration, smoke, gas, fumes, odor, dust, fire hazard, or other objectionable conditions. The Building Inspector shall issue a permit upon the finding by the Planning Board that the proposed location, construction and operation will not injure present and prospective development in the district, or the health and welfare of residential districts in the vicinity.
3. Business signs: subject to provisions of Article IV, Section 6.

C. Uses Prohibited:

1. Residential
2. Multiple purpose use of individual buildings.
3. More than one principal building per individual lot.
4. Gas Stations
5. Truck terminals
6. Any new use of an existing building or premises without the approval of the Planning Board.

D. Area, Yard, Height, Lot Coverage Requirements:

1. Minimum lot size - 120,000 square feet
2. Minimum frontage - 300 feet
3. Minimum front yard setback - 75 feet
4. Minimum side and rear yard setback - 30 feet
5. Maximum height - 2 stories or 35 feet
6. Maximum coverage by building - 30% of lot area

ROBERT H. LAMSON, Chairman  
Newington Planning Board

## ACTIONS TAKEN ON TOWN WARRANT

### 1977 TOWN MEETING

- |            |   |
|------------|---|
| Article 1  | Election of Town Officers   |
| Article 2  | Voted to raise by notes or bonds a sum of money not to exceed \$630,000, for a new municipal building.            |
| Article 3  | Voted to leave care and maintenance of town land and buildings to the Selectmen.                                  |
| Article 4  | Voted to authorize Selectmen to dispose of any real estate acquired through tax collectors deeds.                 |
| Article 5  | Voted to authorize Selectmen to borrow money on credit in anticipation of taxes.                                  |

# **NEWINGTON SCHOOL DISTRICT WARRANT**

## **Election of Officers 1978 The State of New Hampshire**

To the inhabitants of the School District of the Town of Newington in the County of Rockingham and State of New Hampshire, qualified to vote upon District Affairs:

**YOU ARE HEREBY NOTIFIED TO MEET AT THE Civic Center IN SAID DISTRICT ON Tuesday, the 14th Day of March, 1978 at 10:00 O'CLOCK IN THE A.M. TO VOTE FOR DISTRICT OFFICERS:**

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a member of the School Board for the ensuing three years.

**POLLS WILL NOT CLOSE BEFORE 6:00 P.M.**

The foregoing procedure calling for election of your district officers at the annual Town Meeting is authorized by statute (RSA 197:1-a) and was adopted by the district at its 1962 annual meeting.

**GIVEN UNDER OUR HANDS AND SEALS AT SAID Newington, THIS 1st DAY OF FEBRUARY 1978.**

**Z. RICHARD HENLEY  
RICHARD E. GUERETTE  
JOHN C. LAMSON  
School Board**

## NEWINGTON SCHOOL WARRANT

1978

The State of New Hampshire

To the Inhabitants of the School District of the Town of Newington, qualified to vote in District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE CIVIC CENTER IN SAID DISTRICT ON Tuesday, the 14th day of March, 1978 at 8:00 O'CLOCK P.M. TO ACT ON THE FOLLOWING ARTICLES:

NOTE: School District Officers are to be elected at the Town Meeting, March 14, 1978, in accordance with the Statutory Election Procedure adapted by the District at its February 24, 1962, annual meeting.

ARTICLE 1: To see what action the District will take in relation to the reports of Agents, Auditors, Committees or Officers chosen.

ARTICLE 2: To see if the District will authorize the School Board to make application for, to receive and spend in the name of the District, such advances, grants, in aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, local or private agencies.

ARTICLE 3: "Shall the school district accept the provisions of RSA 195-A (as amended) providing for the establishment of an area school located in Portsmouth to serve the following grades 7 and 8 from the school district of Newington in accordance with the provisions of the plan on file with the district clerk?"

ARTICLE 4: To see if the Newington School District will appropriate the sum of \$2,000. as a contingency fund as provided under RSA 198:4-a.

ARTICLE 5: To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District officials and agents, and for the payment of statutory obligations of the District.

ARTICLE 6: To transact any further business that may legally come before the meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SAID  
NEWINGTON, THIS DAY OF FEBRUARY, 1978.

Z. RICHARD HANLEY  
RICHARD E. GUERETTE  
JOHN C. LAMSON  
School Board

## **ASSISTANT SUPERINTENDENT'S REPORT**

To the School Board and Citizens of Newington:

Of course, the biggest change in your schools was the addition of two classrooms at the Elementary School. The educational design of the area is superb. The rooms provide much more educationally than was previously available. If you have not had the opportunity to visit the new rooms, I urge you to do so at your earliest opportunity.

The addition takes care of the upper elementary grades very nicely. As was discussed in the prior year, renovations should be made to the remaining areas and classrooms. Such items as storage, flooring, and counter space should be considered.

Educationally, the school is running well and the children of the town are learning in a friendly atmosphere. It is always interesting to me to visit your school and see children happily learning. Test results, which are one indication of achievement, show that as well as being happy, the children are learning the basics. The honor roll at the Junior High School is added proof that the Newington children are generally well prepared. I believe that a good deal of the credit can be divided between the town in its desire to provide "good education" and the faculty and staff who do their best in making sure that children learn.

Coming up, will be a vote on an AREA Agreement with Portsmouth for the education of students in their junior high years. As with any contract there are pros and cons. I trust that the voters in the school district will give serious consideration to all aspects of the proposed contract.

Other changes that have taken place were the reinstitution of the single session at the High School. I believe that this is an educationally sound practice and your sons and daughters should benefit from the change. Certainly the opportunity to have a good education and also to participate in extra curricular activities is greatly enhanced.

A year ago I reported that in my opinion the Supervisory Union would split. This is going to happen officially on July 1, 1978, when the four towns which were part of Supervisory Union 52 will become Supervisory Union 50. As indicated, the official date for the split is next July, however, our office has been in operation at 1247 Washington Road in Rye since November 14, 1977. As reported a year ago, I do not believe that the education of your children has been hurt by this move, and if anything, there has been greater coordination among the schools sending their students to Portsmouth for secondary education.

Again it has been my pleasure to have worked with the School Board and citizens of Newington. As stated above, I believe you have provided for your children the opportunity for a good education. I look forward to continued good relations with you.

Respectfully submitted,

JOHN P. BALL  
Assistant Superintendent

## **PRINCIPAL'S REPORT NEWINGTON PUBLIC SCHOOL**

To the School Board and Citizens of Newington:

Since our last report several changes have occurred within the school. Of course, most noticeable being the new addition with its two classrooms. As a result of the project the Kindergarten, staff, nurse, and principal have areas suitable to accomodate their respective responsibilities.

During the year, three new people were employed to fill vacancies created by resignations. Mrs. Gail Oliver and Mrs. Adina Linden joined the teaching staff while Michael Kostandin was hired as the school custodian. In all three situations, the Newington School Board took an active role in the final interviewing process.

The children of Newington are indeed fortunate to be served by a competent core of professionals. As one visits each classroom, he sees and feels an atmosphere of trust between pupil and teacher. He also perceives that together they are striving toward the same common goal. Further observation reveals planned environments with various materials and methods being used. Obviously, this working together could not be established in a year, but comes as an outgrowth of continued experience as a staff, with the youngsters as the true winners.

Indicative of the staff's persistence to keep abreast with current knowledge and methods is the aggregate sum of 168 hours spent in procuring Staff Development credit. Although varied in their interests and concerns, the majority attended lectures, demonstrations and seminars stressing techniques in coping with specific

learning problems. One such program, a joint endeavor between Notre Dame College and the staff, was held at the school. Through the efforts of Mrs. Long, a member of the New Hampshire Association for Educating Young Children, workshops concentrating on fitness and nutrition were also conducted here. Several members of the community attended the discussion on nutrition. Incorporation of ideas gained from different sessions was readily seen as two members of the staff, Stan Maddock and Barbara Lawton, combined their disciplines of physical education and music to present a unit on dance. Another example was the introduction of the Early Strategies Program by Mrs. Long as the Kindergarten Curriculum. Mrs. Charles and Ms. Vezeau have made more subtle modifications in their teaching techniques, with the impetus in all cases the same, in-service education.

Title 1 and Speech Therapy are among the many special support services offered the children. Mrs. Bowser, the school nurse, administered routine screenings for new entries as well as the regular student body. Dr. Robert Mackey from the Rochester Pediatrics Association was designated as the consulting physician. The Langdon Library remains as an important extension of the reading program. Through Mrs. Pickering's guidance, the children have been stimulated to withdraw and read many books on their own. After evaluating the future needs of the students, it was decided to discontinue the counseling service arrangement with the Seacoast Clinic.

Several Parent-Teacher meetings were held during the year. These sessions addressed the curriculum areas of Reading, Mathematics, Social Studies, and Physical Education. Twenty-five percent of the school families participated in the workshops. The largest involvement came with Parent-Teacher conferences.

The response to these invitations was 94%. In addition to curriculum workshops and conferences, parents assisted with costumes for the two plays, viewed a film on Growth, attended a slide presentation on the Portsmouth Junior High School Program and reviewed cumulative folders.

The school remains the center for many afternoon and evening activities. It is most gratifying to see so many community groups making use of the facilities. We also call your attention to the fact that new regulations were adopted regarding its use and we urge you to call us relative to the procedure.

Due to the ever increasing mounds of paper work and additional regulations, the School Board extended the School Secretary's employment period. Mrs. Hammer now works three complete school days instead of the same number of half-days. Through the cooperation of Mrs. Bowser and Mrs. Hammer, the registration and health records were revised to include certain pieces of information not found on previous forms. The School Board accepted a written set of health policies compiled by the nurse. Other changes were made in regard to accounting procedures, indexes for telephone calls and keys. The school handbook was updated and distributed to parents.

The following items were contracted as we strive to keep the property in good repair for the children: A security check leading to the installation of several locks was done by the firm of Robert Young; Mr. Phil Davis adjusted the flow of air on the damper and replaced the nozzle on the furnace; a Portsmouth company cleaned the septic system; and the school became part of the municipal fire alarm system. A covered storage crib built by Mr. Hammond added much to the appearance of the building as well as solving the trash problem.

There were many out of class learning experiences afforded the children during the year. Mr. Maddock registered some of the students in the All City Track Meet and in the Elk's foul shooting contest. Many of the youngsters proved equal to the challenge, winning various recognitions. The UNH Dairy Van visited the children with its exhibit. Field trips were taken by Mrs. Charles and Mrs. Vezeau. Both groups spent time investigating the seashore. A group of young actors and actresses from Phillips Exeter presented a play entitled "The Magic Box" to all the grades. The children, being good actors themselves, presented "Peter Pan" and "Rudolph" for the enjoyment of the parents and citizens of the community.

If you were to ask any child what program he enjoys most, the response would undoubtedly be "hot lunch." There sure must be something to their answer when you consider that over 90% of them take part each day. The credit for the involvement belongs to Lorraine and Bessie Cole who gear menus toward what the students want as well as what's good for them.

Respectfully submitted,

RICHARD MICHAELS  
Teaching - Principal

## SCHOOL DISTRICT TREASURER REPORT

For the Fiscal Year  
July 1, 1976 to June 30, 1977

Cash on Hand July 1, 1976 (Treasurer's Bank Balance)		\$35,213.68

Newington School Board  
Newington, New Hampshire

Gentlemen:

I have examined the statement of cash receipts and disbursements of the Newington, New Hampshire School District for the year ended June 30, 1977. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as considered necessary in the circumstances.

In my opinion, such statement presents fairly the cash transactions of the Newington, New Hampshire School District for the year ended June 30, 1977 on the basis consistent with that of the preceding year.

Respectfully submitted,

Mr. Irene R. Lebel  
Certified Public Accountant

July 28, 1977
